

Follow The Son # 4 -

Jesus in LEVITICUS, Leviticus 16:20-22

My favorite book of the Bible is _____ (your answer)

The world's biggest problem is SIN

For sin God requires a SACRIFICE

In the Old Testament there was the Day of ATONEMENT

The blood of bulls and goats could not in reality take away their SINS

The only One who could “permanently” take away sins is JESUS CHRIST Hebrews 10:12

Christ PAID the PRICE

Removed our SINS

Torn the VEIL in two

Now we can go to God ANY TIME
